PRIVACY INFORMATION

Your privacy is important to us! See the attached privacy policy document, which is for you to keep, for more information on how we use and store the information supplied by you to the Warrnambool Gem Club Inc. Please answer the following questions/read the following statement and sign where indicated.

For compliance purposes, please sign to confirm that you have received, read and understood the Privacy Policy (sign).....(date)...../...../.....

Do you consent for your Personal Contact Information (as detailed above) to be included in a 'Members Contact List' that is distributed to current members? Yes/ No

If yes then please specify which information you consent to sharing e.g. All details or only name and phone number etc.....

From time to time we like to take photos of our members in action, either at the club, in the field or at club run events. These photos are sometimes used on our website or Facebook page for information purposes or for promotion of our club to the public. In most instances, the people in the photo are referred to only as 'our members' and specific names are not mentioned. Generally, permission will be sought at the time the photo is being taken, however if this does not occur and you do not consent for your photo to be taken and or used for these purposes, it would be appreciated if you could mention this politely to the person taking photos at the time.

WARRNAMBOOL GEM CLUB INC.

HEALTH & SAFETY

The health and safety of our members, whilst working in our clubrooms, is paramount. To safely work in the cabbing room, you must wear personal protective equipment supplied at your own cost. These include a protective apron, safety eye wear and noise reducing ear muffs. Different areas of the club will have their own specific safety requirements which will be discussed with you as you embark on your learning, but never hesitate to ask a seasoned member for advice or guidance.

(NOTE THAT THIS QUESTION IS NOT COMPULSORY TO ANSWER) Lapidary work, silver smithing, gemstone faceting and glass fusing are just some of the exciting hobbies that can be learnt at our club. These fun hobbies naturally require the use of machines of all descriptions and with lots of moving parts. With this in mind, is there anything that you believe the club should be made aware of regarding your health and or your ability to use our equipment?

MEMBERSHIP FEES & MEETINGS

Please note that annual membership fees are payable at the commencement of each year for that calendar year and are subject to increases as determined and voted at the annual general meeting held each November. Workshop fees are payable on each day that you attend the club rooms and use the facilities.

The Warrnambool Gem Club Inc holds its general meetings each month on the third Wednesday at 7.30pm in the clubrooms (or other location as notified from time to time). All members are encouraged to come along to these meetings to join in on the discussion and assist with the future direction and betterment of the club. Most nights end with tea and supper 😊

I,have completed this form to the best of my ability and declare the information supplied to be true and correct at the time of completion. I agree to abide by the rules of the club and act in a manner that does not put myself or my fellow club members at risk of health or safety.
